

Health and Human Performance

Please Note:

Prospective job candidates are URGED to check with the respective department, dean, or payroll office for a more detailed description of qualifications. DO NOT apply for jobs via CUPE 3912, but directly with the contact person for each job posting. Some departments may accept applications online; others might not. It is our recommendation that you include a COMPLETE CV with every application, even if it is not requested.

Jobs are listed newest-to-oldest and expired job postings are periodically archived.

POSITION TITLE	Part-Time Academic (Introductory Biomechanics – KINE 2465) (Jan-Apr 2021)
POSTING NUMBER	PTAP454P
DEPARTMENT/UNIT	Health & Human Performance
LOCATION	Halifax

JOB SUMMARY & KEY
RESPONSIBILITIES

For a detailed description of each course, please refer to the course description in the 2020/21 Academic Calendar (timetable listings subject to change). The successful applicant is responsible for all aspects of teaching, grading and administration of the class including planning and directing classroom-based activities, marking assignments and providing tutorial support to the students as required during the respective terms.

Due to the current Covid-19 outbreak, some Dalhousie University classes may be held online for the Winter semester. Experience with teaching in an online environment is an asset. All instructors hired to teach online will be supported by Dalhousie to develop and deliver their courses from the Centre for Learning and Teaching (clt@dal.ca) and Academic Technology Services (support@dal.ca). More information about preparing to teach online can be found at <https://www.dal.ca/dept/clt.html>.

QUALIFICATIONS/REQUIREMENTS
OF POSITION

Graduate degree in Kinesiology, Health Promotion or Recreation and Leisure Studies with demonstrated teaching ability preferred.

SALARY RANGE/PAY RATE

Per CUPE Collective Agreement

ADDITIONAL INFORMATION

All offers of employment as a Part-Time Academic are conditional upon sufficient student enrolment in the course and approval by the University. Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The university encourages

applications from Indigenous persons, persons with a disability, racially visible persons, women, persons of a minority sexual orientation and/or gender identity, and all candidates who would contribute to the diversity of our community. For more information, please visit www.dal.ca/hiringfordiversity.

Part-Time Academic Posting: School of Health and Human Performance

Posting Date: April 18, 2016

Application Deadline: April 29, 2016

IDHS 3000 Contemporary Issues in Food Studies

Credit Hours: 3 – Summer Term 2016

This course introduces students to the emerging interdisciplinary field of food studies. Whereas older academic approaches to food focused on consumption or production within a scientific paradigm, this course will critically consider the health implications of local food issues through a case-based curriculum using diverse disciplinary, holistic, and systemic perspectives.

Format: Weekly on-line lecture | seminar, May 2 to June 10, 2016

Department/Location: School of Health and Human Performance

Pay Rate: In accordance with CUPE Collective Agreement:

<http://www.dal.ca/content/dam/dalhousie/pdf/hr/Academic-Staff-Relations/CUPE-3912-Collective-Agreement-2012-2016.pdf>

Work Assignment: The successful applicant is responsible for all aspects of teaching, grading and administration of the class including planning and directing course-based activities, marking assignments and providing support to the students as required during the applicable Summer Term.

Requirements of Position: Graduate degree in Health Promotion with demonstrated teaching ability preferred.

HAHP 1000: Introduction to Health, Health Promotion and Health Professions

This course provides the philosophical and practical scope of the School's unique perspective on health. It includes an examination of theories, research, politics and practices that have helped to define health, and health promotion as an umbrella for health-related activities. An historical perspective of health and healthcare is offered and current international, national and local issues are considered. Also included is an introduction to the professional streams offered in the School and how they fit into health promotion and the Canadian healthcare system.

Part-Time Academic Posting: School of Health Sciences

Posted by School of Health Sciences on March 23, 2015 in Job Postings

PART-TIME ACADEMIC POSTING

SCHOOL OF HEALTH SCIENCES

Dalhousie University

Halifax, Nova Scotia

POSTING DATE: March 23,2015

APPLICATION DEADLINE: April 1st, 2015

POSITION: Sessional Lecturer, HSCE 2000.03- Health Care Ethics
(Summer 2015 ~ May 4th – Jul 31st)

PAY RATE: In accordance with CUPE Collective Agreement.

All offers of employment as a part-time academic are conditional upon sufficient student enrolment in the courses and approval by the University.

Department/Location: School of Health Sciences

WORK ASSIGNMENT:

NOTE: This course is taught exclusively via distance learning using Dalhousie's web-based Blackboard Learn platform.

As the instructor of record for HSCE 2000, an introductory course in health care ethics, the responsibilities of the sessional lecturer

will include development of course materials, course delivery, teaching, and administration of the course. Topics include: moral theory and principles and ethical issues in health care. The maximum enrolment for this class is 60 students.

REQUIREMENTS OF POSITION: Knowledge of health care system and previous teaching experience desired. A master's degree is required (a master's degree in ethics is an asset). Experience with BLS or equivalent is considered an asset.

Please apply in writing (with a current CV and three references) by the deadline noted above. Apply to:

Irene Fitzgerald, Administrator
School of Health Sciences
Dalhousie University
Bethune Building, Room 629
1276 South Park Street
Halifax, N.S. B3H 2Y9
irene.fitzgerald@dal.ca

Dalhousie University is an Employment Equity/Affirmative Action employer. The University encourages applications from qualified Aboriginal peoples, persons with a disability, racially visible persons, and women.

We would like to thank all applicants for their interest, however, only those selected for follow-up will be contacted.
