Please Note:

Prospective job candidates are URGED to check with the respective department, dean, or payroll office for a more detailed description of qualifications. DO NOT apply for jobs via CUPE 3912, but directly with the contact person for each job posting. Some departments may accept applications online; others might not. It is our recommendation that you include a COMPLETE CV with every application, even if it is not requested.

Jobs are listed newest-to-oldest and expired job postings are periodically archived.

Department/Faculty: Applied Human Nutrition
Course Name: Qualitative Methods of Nutrition Research
Course Code: GAHN 6675.02
Academic Term: Winter
Class Timetable: F 9:00AM – 11:45AM
Course Unit Value: 0.5

Start Date: 1/11/2021

End Date: 4/27/2021

Qualifications:

Candidates must have a PhD or Masters in a relevant area of food
or
nutrition; knowledge/experience with the course content;
satisfactory

experience with teaching at the university level. GAHN 6675.02 is a synchronous online course via the Teaching and Learning Centre and Online Learning. Applicants must have experience in successfully teaching at a university level and in an online environment, including the use of online and related technologies (Blackboard Collaborate, Moodle). If the successful applicant does not meet this qualification, an offer of appointment will be conditional upon completion of training through TLCOL to reach the required level of competency before the course begins.

Duties: Preparation, teaching, student consultation, grading and marking, distribution of student evaluation questionnaires, involvement in student appeals, and other duties appropriate to the appointment. _____

Additional Duties:

Use of online technologies to manage course notes, communicate and grade, as applicable.

Remuneration: Remuneration is in accordance with the Collective Agreement between Mount Saint Vincent University and CUPE 3912

How to apply: Send your application accompanied by curriculum vitae and the names of three references to:
Department Chair: Dr. Daphne Lordly, Dept. of Applied Human Nutrition
Email: ahnaps@msvu.ca

Application deadline: 11/2/2020

Department/Faculty: Applied Human Nutrition
Course Name: Special Topics: Understanding Indigenous Food
Systems in
Canada
Course Code: GAHN*6650*01
Academic Term: Winter
Class Timetable: T 4:30 PM– 7:00PM
Course Unit Value: 0.5

Start Date: 1/11/2021
End Date: 4/27/2021

Qualifications:

This course will look at Indigenous food sovereignty, and its related areas: food security, Indigenous sovereignty, current and historic threats to food systems, anti-colonialism, and Indigenism, while highlighting present-day food stories from Indigenous communities across the country.

The successful candidate will have a PhD in food or a related discipline, or be near completion. A focus on Indigenous Food Sovereignty is preferred. Candidates must have a demonstrated commitment to, and successful experience with, teaching at the university level.

Previous teaching and a knowledge of Indigenous food systems, traditional foods and indigenous ways of helping are preferred.

GAHN 6650.01 is a synchronous online course via the Teaching and Learning

Centre and Online Learning. Applicants must have experience in successfully teaching at a university level and in an online environment, including the use of online and related technologies (Blackboard Collaborate, Moodle). If the successful applicant does not meet this qualification, an offer of appointment will be conditional upon completion of training through TLCOL to reach the required level of competency before the course begins.

Duties: Preparation, teaching, student consultation, grading and marking, distribution of student evaluation questionnaires, involvement in student appeals, and other duties appropriate to the appointment. —————

Additional Duties:

Use of online technologies to manage course notes, communicate and grade, as applicable

Remuneration: Remuneration is in accordance with the Collective Agreement between Mount Saint Vincent University and CUPE 3912

Course Name: Clinical Internship
Course Code: NUTR*4502*01

Academic Term: Summer Session I & II
Class Timetable: As required
Course Unit Value: .5

Start Date: 5/6/2019
End Date: 8/16/2019

Qualifications:

Candidates must have a Master's level education in foods or nutrition with satisfactory experience in teaching nutrition at the university level.

Active membership in Dietitians of Canada is preferred and provincial registration as a professional dietitian is required.

Experience with supervision of dietetic interns and familiarity with the integrated internship education program approach and the MSVU program in particular. Experience with research methods, ethics review and all facets of dietetic practice.

Duties: Preparation, teaching, student consultation, grading and marking, distribution of student evaluation questionnaires, involvement in student appeals, and other duties appropriate to the appointment.

Additional Duties:

Supervise approximately 15 interns at various levels (NUTR 4501/4502/4503) in a variety of placements (clinical, community, administrative) in a variety of locations (locally, regionally, and nationally). As specified in the MSVU Internship Education Policy and Procedure Manual this includes monitoring program of the interns on placements, providing guidance in research projects, maintaining communication with sponsors and coordinator, assigning final grades based upon debriefing and reviewing of evaluation components. Some travel may be necessary.

Remuneration: Remuneration is in accordance with the Collective Agreement between Mount Saint Vincent University and CUPE 3912

How to apply: Send your application accompanied by curriculum vitae and the names of three references to:
Department Chair: Dr. Patty Williams
Email: ahnaps@msvu.ca

Application deadline: 3/26/2019

Department/Faculty: Applied Human Nutrition
Course Name: Recent Advances in NUTR Research
Course Code: GAHN*6600*01 – second posting
Academic Term: Winter
Class Timetable: TH 4:30PM – 7:00PM

Candidates must have a PhD or Masters in a relevant area of food or nutrition; knowledge/experience with the course content; satisfactory experience with teaching at the university level. Active membership in Dietitians of Canada and provincial registration as a professional dietitian are preferred.

Duties: Preparation, teaching, student consultation, grading and marking, distribution of student evaluation questionnaires, involvement in student appeals, and other duties appropriate to the appointment.

Additional Duties:

Use of online technologies to manage course notes, communicate and grade, as applicable.

Remuneration: Remuneration is in accordance with the Collective Agreement between Mount Saint Vincent University and CUPE 3912

How to apply: Send your application accompanied by curriculum vitae and the names of three references to:

Department Chair: Dr. Daphne Lordly, Chair, Dept. of Applied Human Nutrition

Email: daphne.lordly@msvu.ca; kelly.krashinsky@msvu.ca

Application deadline: 7/30/2014

Department/Faculty: Applied Human Nutrition

Course Name: Clinical Internship

Course Code: NUTR*4502*01

Academic Term: Fall

Class Timetable: N/A

Course Unit Value: .33

Start Date: 9/3/2014

End Date: 12/18/2014

Qualifications:

Candidates must have a Master's level education in foods or nutrition with satisfactory experience in teaching nutrition at the university level.

Active membership in Dietitians of Canada is preferred and provincial registration as a professional dietitian is required.

Experience with supervision of dietetic interns and familiarity with the integrated internship education program approach and the MSVU program in particular. Experience with research methods, ethics review and all facets of dietetic practice.

Duties: Preparation, teaching, student consultation, grading and marking, distribution of student evaluation questionnaires, involvement in student appeals, and other duties appropriate to the appointment.

Additional Duties:

Supervise approximately 10 interns (NUTR 4501/2/3) in a variety of placements (clinical, community, administrative) in a variety

of locations
(locally, regionally, and nationally). As specified in the MSVU
Internship
Education Policy and Procedure Manual this includes
monitoring program of
the interns on placements, providing guidance in research
projects,
maintaining communication with sponsors and coordinator,
assigning final
grades based upon debriefing and reviewing of evaluation
components. Some
travel may be necessary.

Remuneration: Remuneration is in accordance with the
Collective Agreement
between Mount Saint Vincent University and CUPE 3912

Academic Term: Summer Session I
Class Timetable: N/A
Course Unit Value: .5 unit

Start Date: 5/5/2014
End Date: 8/15/2014

Qualifications:

Candidates must have a Master's level education in foods or nutrition with satisfactory practical experience in teaching nutrition at the university level. Active membership in Dietitians of Canada and provincial registration as a professional dietitian are preferred.

Experience with supervision of dietetic interns and familiarity with the integrated internship education program approach and the MSVU program in particular. Experience with research methods, ethics review and all facets of dietetic practice.

Duties: Preparation, teaching, student consultation, grading and marking, distribution of student evaluation questionnaires, involvement in student appeals, and other duties appropriate to the appointment. —————

Additional Duties:

Supervise a minimum of 15 interns (NUTR 4501/2/3 and GAHN 5501/2/3) in a

variety of placements (clinical, community, administrative) in a variety of locations (locally, regionally, and nationally). As specified in the MSVU Internship Education Policy and Procedure Manual this includes monitoring program of the interns on placements, providing guidance in research projects, maintaining communication with sponsors and coordinator, assigning final grades based upon debriefing and reviewing of evaluation components. Some travel may be necessary.

Remuneration: Remuneration is in accordance with the Collective Agreement between Mount Saint Vincent University and CUPE 3912
