CUPE LOCAL 2073
C/O LINDA JONES - TREASURER
10 MCCONNELL LANE
NEWMARKET, ON L3Y 7M1

CUPE Members of Local 2073,

Your colleagues and peers at CUPE local 3912 emphatically support your strike action. It is abhorrent that you are striking under Julia Dumanian for a second time as her pay continues to rise while your work and services are being gutted. You also deserve fair bargaining with CHS - which they have failed to do! Your work is vital for the deaf and hard of hearing communities in Ontario and you deserve to be paid fairly!

Please know that you are not alone, and that across the Union at all levels, your brothers and sisters in the labour movement are striving to improve our collective situation and shore up eroding rights for workers. Your victories are all our victories, and we are honoured to participate and support your goals and ambitions. Continue to fight back against unfair wages, improper working conditions, and systemic disenfranchisement. We commend the bravery and unity of your members who have chosen to join your picket lines.

With warmest regards on behalf of the CUPE 3912 Executive Committee,

Sophie J. Boardman (they/she), Communications Officer
