MSVU is located in Kjiptuk (Halifax), part of Mi'kma'ki, the unceded ancestral territory which remains the homeland of the Mi'kmaq Nation. This territory is covered by the Covenant Chain of Treaties of Peace and Friendship signed between 1725 and 1779. These treaties are affirmed by the Supreme Court of Canada and recognize Aboriginal Title (which is embedded in both the 1763 Royal Proclamation and in section 35(1) of the 1982 Constitution Act). The treaties are living agreements that establish the rules for an ongoing Treaty relationship between nations.

We pay respect to the knowledge embedded in the Mi'kmaw custodians of the lands and waters and to the Elders, past, present, and future.

Exceptions

12.3 The University will not be required to post any resulting position if within two (2) weeks of the date on which such work is to begin or after the start date if one of the following occurs:

12.3.1 An employee withdraws from a position; or,

12.3.2 An unanticipated position occurs; or,

12.3.3 A position becomes available as a result of illness, death, dismissal or resignation; or,

12.3.4 A position is offered to an employee who then declines to accept it.

In any of these circumstances the University shall offer the position to applicants, in order of precedence, in accordance with Article 12.8.

12.4 In instances where there are no applicants, no qualified applicants, or when time and/or operational needs require that the regular assignment procedure be suspended, the University may assign the work to a person deemed suitable. If assigning the work under the provisions of this Article will result in a member exceeding the maximum number of teaching assignments in Article 13.8, the University shall make application to the Joint Committee for approval. Prior to making an application to the Joint Committee, the University shall, to the best of its ability, ensure that qualified members with precedence who have not reached the maximum number of teaching assignments have been offered the opportunity.

12.5 The University may appoint, at its option, as an exception to Article 12.8, without posting (exceptional contract), to fill a position:

12.5.1 A full-time faculty member at Mount Saint Vincent University or an employee seconded as the result of an exchange agreement with another institution, and paid by the other institution; or,

12.5.2 A post-retirement employee for a one (1) Academic Year period beyond the member's retirement date; or,

12.5.3 A post-doctoral fellow at the University; or,

- 12.6** For the purposes of this Agreement, the term “qualifications” shall be deemed to include relevant credentials, experience which may include having taught the course previously, and demonstrated skills to do the work required in the position.
- 12.6.1** The Parties recognize the value of Indigenous knowledge and ways of knowing and doing, and the term “qualifications” shall be deemed to include being a Knowledge Keeper and/or Elder within an Indigenous community.

The application shall include a letter of application, an up-to-date CV and the names of two (2) references for positions in each Department to which they apply. Applicants who apply for multiple positions at one (1) time within one (1) Department may refer to multiple positions in one (1) application package.

Precedence

- 12.8** Persons applying for a position shall have precedence for appointment based on the number of courses previously taught at Mount Saint Vincent University on a part-time basis, provided that they possess the qualifications as defined in the posting for the position. In the event that more than one (1) applicant has equal precedence under this provision, the final recommendation for appointment shall be made by the department Chair to the Dean.
- 12.8.1** A newly hired member shall be considered to be on probation until they have met the requirements to be on the precedence list.

The following requirements must all be met prior to being added to the precedence list:

- 12.8.1.1** The completion of the equivalent of two (2) full-unit courses taught over a minimum of two (2) academic years. This must occur within a thirty-six (36) month period. The thirty-six (36) month period commences with the start of the first day of the first course taught and ends thirty-six (36) months later.

- 12.8.1.3** Upon completion of the probationary period the Employer shall place the member on the precedence list in accordance with Article 12.11.

Once an Academic Year, all such requests shall be submitted with supporting documentation to the Office of the Vice- President Academic and Provost by June 1.
 - 12.8.2.2.2** Parental leave equivalent to the parental leave entitlement specified in the Nova Scotia Labour Standards Code (currently fifty-two (52) weeks) does not count toward the thirty-six (36) months stated in Article 12.8.2.2. A member requesting to take parental leave shall notify the Office of the Vice-President Academic and Provost as soon as possible but no less than thirty (30) working days in advance of the commencement of such leave.
- 12.8.2.3** A person has received unsatisfactory evaluations in accordance with Article 14 for two (2) of four (4)

consecutive terms in which the member has taught.

12.8.2.3.1 Within seven (7) working days, the Employer shall notify the Union in writing when any member has been so removed from the precedence list.

12.8.2.3.2 Where a Performance Improvement Plan is in place or is required in accordance with Article 14.5.4, the member will receive course evaluations, but such evaluations will not be used to remove a member from the precedence list and shall not count as part of the four consecutive terms outlined in Article 12.8.2.3.

12.9 In the absence of qualified applicants with precedence under Article 12.8, the final recommendation will be made by the Department Chair to the Dean.

12.10 On or before June 1 of each Academic Year, the Employer shall provide to the Vice-President of the Union and the CUPE Local 3912 Office a listing via email for the upcoming Fall and Winter terms of all members of the bargaining unit who have precedence under Article 12.8 by name, department, number of units and Academic Year taught. The list will include all courses taught up to the preceding Winter term.

On or before December 1 of each Academic Year, the Employer shall provide to the Vice-President of the Union and the CUPE Local 3912 Office a listing via email for the upcoming Summer sessions of all members of the bargaining unit who have precedence under Article 12.8 by name, department, number of units and Academic Year taught. The list will include all courses taught up to the preceding Summer Session.

12.10.1 Any discrepancies or questions regarding the accuracy of the precedence list shall be reported to the Office of the Vice-President Academic and Provost.

12.10.2 The precedence list may be amended at any point in order to correct errors or omissions. Any confirmed amendment to the list during the Academic Year shall not be used to alter an applicant's precedence standing after the closing date on a posting.

12.10.3 An Employee may request a stipend step review at any point during the Academic Year. Such review may result in the revision of the stipend amount payable on issued contracts.

- 12.11** A member with precedence who is appointed to a full-time faculty term position at Mount Saint Vincent University shall receive credit towards precedence per Article 12.8, of the maximum allowable units under Article 13.8.

Hiring Procedure

- 12.12** Upon reviewing all applications and evaluating them in accordance with the provisions of this Article, the Department Chair will submit a hiring recommendation to the Dean.

- 12.13** The Dean shall review the recommendation from the Department Chair and forward a recommendation to the Vice-President Academic and Provost, who shall issue a formal offer of appointment to the candidate.

- 12.14** An offer of appointment to a position shall be made by the issuance of a letter of appointment sent electronically to the candidate. A letter of appointment shall include the following:

12.14.2 Start and end dates of position; and

12.14.3 Salary; and,

12.14.5 Any special conditions.

- 12.15** Acceptance of an offer of appointment shall be by signing the letter of appointment and returning it electronically to the Dean's Office within seven (7) working days of it being conveyed by the Dean's Office or by the start date of the course, whichever is earlier. The contract is not in effect until received by the Dean's Office in accordance with this Article.

- 12.16** Where a letter of appointment, which has been signed by both the applicant and the Vice- President Academic and Provost is cancelled by the University, the applicant shall be paid a cancellation fee of \$200, or \$300 if cancellation occurs within two (2) weeks prior to the start of class.

12.16.1 If a course is team-taught, the applicants shall share the cancellation fee.

21.3.5 Throughout the grievance process, Indigenous members may request an Elder or Knowledge Keeper be present at all meetings.

21.4 Step One: Informal Stage

21.4.1 It is the mutual desire of the Parties that a complaint of a member shall be resolved as promptly as possible. To that end, an Employee who feels she has a grievance shall first discuss the matter with the Dean within ten (10) working days of the incident or event giving rise to the grievance, or of the date the grievor should have reasonably been aware of the incident or event, whichever is later. The Employee shall have a Union representative present during such discussion. The

Parties may, by mutual consent, continue to meet as necessary to resolve the grievance. The Dean shall give notice to the Union in writing within ten (10) business days of the last meeting, as to whether an agreement has been reached or that the grievance is to proceed to Step Two.

- 21.4.2** Any resolution recorded at Step One shall be, unless the Union and the Employer otherwise agree in writing, without prejudice to either.

- 21.5.1** Failing a resolution at Step One, or in the event the grievance is filed initially at Step Two pursuant to Article 21.3.1, the written grievance shall be forwarded to the Vice-President Academic and Provost:

21.5.1.1 For grievances initiated at Step Two, within ten (10) working days of the date the events giving rise to the grievance occurred, or within ten (10) working days of the date upon which the grievor knew or ought to have known of the events giving rise to the grievance, whichever is later; or

21.5.1.2 For grievances not resolved at Step One, within ten (10) working days of receipt of the decision of the Dean.

- 21.5.2** No later than ten (10) working days following receipt of the grievance, the Vice-President Academic and Provost or representative shall meet with a Union representative and the grievor and the parties shall make every reasonable attempt to resolve the grievance. In the event that a resolution is reached, it shall be reduced to writing and countersigned by the Vice-President Academic and Provost and the Union. In the event that no resolution is reached within ten (10) working days of the last meeting held pursuant to this Article, the Vice-President Academic and Provost shall, within two (2) working days after this ten (10) day period, forward in writing to both the President and the Vice-President of the Union the reasons for denying the grievance.

21.6 Step Three

- 21.6.1** In cases where a grievance cannot be resolved at Step Two, the Union shall be entitled, within ten (10) working days of the date upon which the decision of the Vice-President Academic and Provost is received by the Vice-President of the Union pursuant to Article 21.5.2, to forward written notice to the President in the form prescribed in Article 22.1 that it intends to refer the grievance to arbitration.

- 21.6.2** In cases where a grievance is initiated at Step Three pursuant to Article 21.3.2, the member or Union shall, within ten (10) working days of the date upon which notice of the Employer's decision is received, forward written notice to the President in the form prescribed in Article 22.1 that the matter is to be referred to arbitration.

21.7 Employer Grievances

- 21.7.2** No later than ten (10) working days following receipt of the grievance by the Union representatives noted in Article 21.7.1, they, (or their representatives) shall meet with the President of the University (or representative), and the Parties shall make every reasonable attempt to resolve the grievance. In the event that a resolution is reached, it shall be reduced to writing and countersigned by the President of the University and the Vice-President of the Union or their respective representatives. In the event that no resolution is reached within ten (10) working days of the last meeting held pursuant to this Article 21.7.2, the Union representatives shall, within two (2) working days after this ten (10) day period, forward in writing to the President the reasons for denying the grievance.

- 21.7.3** The Employer shall be entitled, within ten (10) working days of the date upon which the decision of the Vice-President of the Union is received by the President of the University pursuant to Article 21.7.2, to forward written notice to the Union representatives noted in Article 21.7.1 in the form prescribed in Articles 22.1 and 22.2 of the Arbitration Article that it intends to refer the grievance to arbitration.

 - 21.8.1.4** Any other person as agreed by the parties.
- 21.8.2** The Parties agree that this mediation stage could be entered into by the Parties prior to a grievance proceeding to arbitration. A referral to arbitration would be held in abeyance by the Parties until such time as the mediation stage would be completed. A grievance could continue to the arbitration stage should the mediation stage not find a solution to the issue.
- 21.8.3** The mediation process is without prejudice to and without precedent for either Party.
- 21.8.4** The cost of a mediator will be jointly shared by the Parties.

Article 22: Arbitration

- 22.1** In the event that an individual or Union grievance is not settled at Step Two of the grievance procedure, or the grievance is one that pursuant to Article 21.3.2 commences at Step 3 of the grievance procedure, or that an Employer grievance is not settled during the procedure outlined in Article 21.7, either the Union or Employer may give notice in writing, within the time limits set out in Articles 21.6.1 and 21.7.3, to the other that the Union or the Employer, as the case may be, has elected to refer the unresolved grievance to arbitration. This notice shall include the name of an arbitrator who may be appointed by mutual agreement.
 - 22.1.1** In the event the Parties fail to agree on an arbitrator, either Party may request the Minister of Labour to appoint an arbitrator.
- 22.2** In all cases there shall be a single arbitrator.
- 22.3** The arbitrator shall sit without unnecessary delay and the arbitrator's decision shall be binding on both Parties. The arbitrator is not authorized to alter, modify or amend any part of this Agreement.

- 22.4** The Parties recognize that the grievance/arbitration mechanism established in the Grievance and Arbitration Articles of this Agreement is meant to provide an expeditious method of resolving disputes between them. The Parties accordingly desire and intend to operate strictly within the time limits prescribed for taking the various steps in the procedure. However, it is recognized that it will not always be possible to do so; therefore, the Parties may agree in writing to extend any time limits specified in either the grievance or arbitration procedure. Furthermore, the arbitrator shall have the power to relieve against non-compliance within time limits, provided that the arbitrator is satisfied that there are reasonable grounds for granting an extension and provided that granting the extension does not create prejudice to either party.
- 22.5** The Union shall have the right to receive from the Employer any information relevant to the matter in dispute including the full particulars of the grievance. Such information shall be provided to the Union within a reasonable time, but not less than fifteen (15) working days, in advance of the arbitration hearing in order to prepare its case. The Employer shall have a similar right to obtain information, including full particulars of grievances, from the Union, within a reasonable time, but not less than fifteen (15) working days, in advance of the arbitration hearing in order to prepare its case. It is agreed that the arbitrator shall have jurisdiction to determine any application for particulars or production of documents.
- 22.6** Where the arbitrator determines that a disciplinary penalty or discharge is excessive, the arbitrator may substitute such other penalty for the discipline or discharge as the arbitrator considers just and reasonable in the circumstances.
- 22.7** Each party shall bear the expense of its representatives, participants and witnesses and of the preparation and presentation of its own case. The fees and expenses of the single arbitrator shall be shared equally between the Union and the Employer.

23.5 Employees who are unable to fulfil the duties of their contract due to becoming disabled will be paid seventy-five percent (75%) of the stipend for the balance of their contract provided the Employee is not covered under any other disability plan. The Employee shall apply for such payment by submitting a completed Application Form (Appendix D) and a Medical Information Form completed by the attending physician in a form which is satisfactory to the Employer.

In accordance with the specified application form, the Employee claiming payment under these provisions must declare that the Employee has become disabled by reason of a medically determinable physical or mental impairment that prevents the employee from fulfilling the duties of employment and which cannot be accommodated by the Employer. The provisions of this Article are not intended to provide general sick leave or leave for scheduled elective medical procedures.

23.5.1 The current Medical Information Form referred to in Article 23.5 (Appendix E) shall be continued until such time as the Joint Committee develops a mutually agreed form to replace it. Any subsequent changes or amendments to the form shall be made by the Joint Committee.
